Focusing the Camera . .

ON THE DRAMA OF HIGH SCHOOL LIFE

"All the world is a stage,
And the men and women merely players."

Of all the dramas presented on stage, screen, radio, or television, perhaps there is none more convincing for this class of 1951 than the real life drama in which they have participated during their four years at H.H.S.

The variety of courses and extracurricular activities have provided scenes for four acts. In spite of the length of the drama the running time has seemed short for the players. Therefore, in this 1951 edition of the *Ye Green Quill*, the staff have reviewed the spotlighted scenes in high school life. Curtain going up!

Dedication

To the parents of the class of 1951, the staff respectfully and affectionately dedicates this edition of the *Ye Green Quill*. All too few seniors realize the important part parents play in graduation from high school. Many, perhaps, regard graduation as a self-completed honor. However, it is the mothers and fathers who provide the very properties, costumes, and perhaps even rehearsals for this drama of high school life.

Now, before the spotlight is focused on drama at HHS, the staff would like to express deepest appreciation to the parents of the class of '51 who have done so much to make the play, which has run for a four-year season, a success.

Spotlight Revue

Ye Green Quill, 1951 edition, the largest ever made at HHS, has photographed and projected all acts and scenes of the drama of high school life. The editor-in-chief, Joanne Mosher, has also directed the publication of the *HHS Recorder*, assisted by an editorial staff representing all classes. Seven Press Club members attended the Empire State School Press Conference at Syracuse University last October. Twelve went to Utica College in May where the *Recorder* earned an Oscar rating of "All New York," and where Janet Irons was chosen next year's president of the Junior Board of the Central New York State Press Association.

Stage Productions

James Hilton's "Lost Horizon" was the big production of the year for the Dramatics Society. The plot, "Lost Horizon," was the story of the discovery of a mysterious civilization at Shangri-la.

"Sparkin," a one-act comedy, was presented in an exchange assembly with Frankfort High School.

Background Music

HHS Band, under the leadership of Prof. Mathers, completed a most successful year. Probably the biggest event of the year for the members of this group was the overnight trip to the Music Festival at Glens Falls. Playing three very difficult numbers on a Festival basis, the band received the high acclaim of the adjudicators for their achievements.

Later in May the band presented their Spring Concert playing classical numbers, overtures, and marches. In the role of a marching band, the group provided the marches for all of the football games and also marched in both the Memorial Day and Flag Day parades.

PROF. WILLARD MATHERS

Background Music

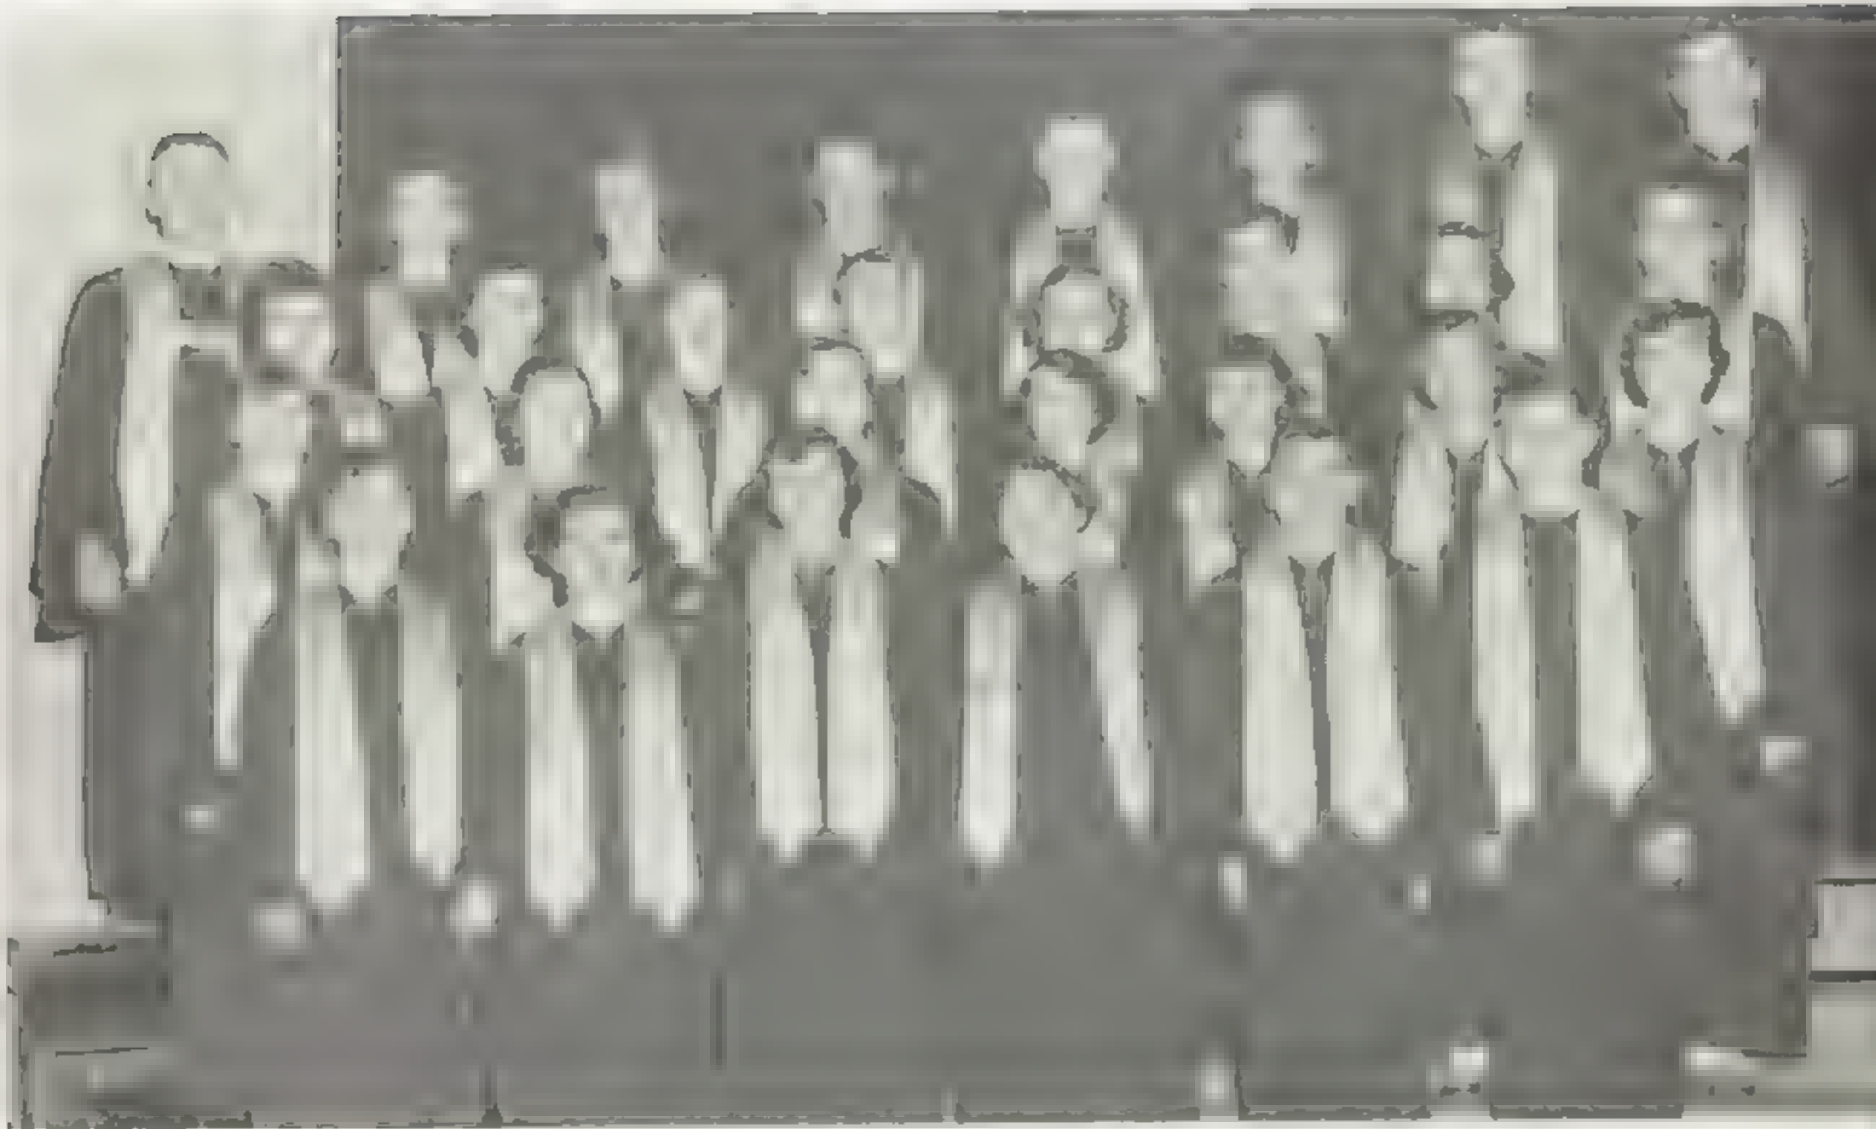

The orchestra, which has been steadily improving in the past few years, was very active this year. The group made a debut at the presentation of "Lost Horizon," playing several numbers between acts. "The Little Concert," with a program of ten pieces, including many arrangements by Prof. Mathers, was presented in February. Some of the selections were "Serenade" by Schubert, "Polka" by Shostakovich, "Pavane" by Ravel, and "Dancing in the Dark," a popular number by Schwarty.

The orchestra made the trip to Glens Falls with the band in May and played three of the numbers from their concert. The fine comments they received from the adjudicators proved Mr. Mathers' statement that this is one of the finest orchestras from Herkimer High in several years.

Helpers on the Scene

Future Nurses of America, as a new service group, was organized this year by girls who are interested in nursing as a profession, with Miss Rinehart as their adviser. When the Student Council started its noon-hour activity, the FNA were asked to help. They provided chairs in halls, and provided different types of games.

Wardrobe Mistresses

Future Home Makers of America is a service club as well as a social organization. Girls have helped with Red Cross activities, have made costumes for Dramatic Club presentation, and served the Christmas tea. As a new project this year, they earned and spent money for the school.

Service Club

The high spot of this year's Junior Red Cross activities was the completion of the overseas album. The album was sent to Japan in return for one which HHS received from there. The contents included a copy of our Alma Mater, pictures of our sports, a map of New York State with descriptions of places of interest, and a description of the subjects and activities in our school. The cover was designed and sketched by Doris Gardner.

Other accomplishments of the year included financing the sending of *The HHS Recorder* to alumni who are in the service, and the preparation of gift boxes which were sent to European children.

Service Club

Among projects adopted by the Key Club was the purchase of an electric basketball scoreboard. This was made possible through the sale of French fries at the basketball games. Members also assisted the Student Council in the Award Banquet, and acted as ushers for the Open House. They also worked on community projects with the Kiwanis Club.

Key Club officers are Edwin Trefzger, president; Robert Zappia, vice president; Edward Jenison, secretary, and George Rando, treasurer. The club was advised by Mr. Willard Blauvelt.

At the town BHS Science Congress there were nearly one hundred entries from schools of the Mohawk Valley. The Chem Club under the supervision of Miss Lamphier sponsored the event with Richard Lee and Edwin Treimer as student chairmen. Carole Eisenlord won first place in the physics exhibits for "Thin Films," and David Martin took the chemistry demonstration prize for "Some Reactions in Gels." Joe Simmons won the chemistry exhibit prize for "Make Your Own Prints." Topping the biology demonstration section was Edward Crowford with "Identification and Classification of Some Ciliates."

Carole Eisenlord, David Martin, and Edward Crowford entered their exhibits and demonstration at the Ontario Congress held at Hartwick College. David won second place in Chemistry for his demonstration. He also won first place at the Syracuse Science Congress exhibit and second place in demonstration for his same project entered in the Herkimer Science Congress. Carole W. Schuch won fourth place in Chemistry for her demonstration in "Some Thin Films and Instant Suspensions."

Pigskin Parade

Winning their second successive M. M. V. I. League crown via a thrilling 7-6 victory over Ilion, the H.H.S. football team continued their reign as "Kings of the Mohawk Valley." Herkimer's impressive 7-1 seasonal record proved to be the best won-lost record in Central New York State, and this included such powerhouses as Proctor and Whitesboro. Herkimer's lone defeat was a heartbreaking 34-28 loss to Whitesboro, but the "Red Magicians" impressively atoned for this loss by rolling over all league opponents and then traveling outside the valley to crush U. F. A., Poughkeepsie, and Gloversville.

Highlight of the season was Capt. Bob Audycki's award of "All-State" honors at end, and his unanimous election on the valley All-Star eleven.

Herkimer High School's basketballers, led by Capt. John Pelichowski, put on a tremendous late season drive to overtake the league-leading Mohicans of Mohawk, enabling them to be crowned M.M.V.I. basketball champions. The Andersonmen were defeated by St. Mary's, Mohawk, and Rome, but they bounced back to sweep doubleheaders with Ilion. Little Falls, St. Francis and Holland Patent. Single victories were posted over Mohawk, Dolgeville, Fort Plain, St. Johnsville, and Frankfort.

Herkimer's 1951 venture into post season tournament play was abruptly ended by the Whitesboro cagers, resulting in their successful revenge of last year's stunning upset handed them by Herkimer in tourney play.

Herkimer started the MMVU League championship by knocking Little Falls out of the season. The two teams were in a dead heat for the crown, but veteran Jim Aiello won the title for the Bombers. As a result of this victory Herkimer has a winning record of every major sport in which they have participated during the 1950-1951 sports year.

The Herkimer County Hoofers cross-country relay team, composed of the head runner of the Track Team and "Toe" Annutto, has improved Herkimer's position of second place in the annual M.M.V.I. track meet. Talarico, No. 3 man on the relay team, also won the 220 dash event.

Mohawk inflicted a 63-36 defeat on the Herkimer cindermen in a meet held at the Mohicans' track. Herkimer was well represented at the U. S. A. Division Track meet by Talarico who won first place laurels in the broad jump, while "Toe" Annutto placed in the high jump.

HHS Specialties

Herkimer's tennis team has the season's potential in the first quarter of the year at three matches. The first match was against the Romans. Herkimer kept their two-year undefeated streak by scoring an easy victory while Don Kirecki kept his four-year singles state record in his single victory. Barclay Rubin was second in doubles with a victory in the last set. Paul Ross Robinson and Paul Hoffman's two doubles victory and Don Kirecki's singles victory. Herkimer swept third place in the Section Tennis tournament held at Hamilton College. The Romans' Hoffman's doubles team won the way to the sectional this way to be defeated by the two-time state champion. Barclay Rubin was defeated in the first round of play.

A team of four players won the first place in the capture of the MMVI Bowling League. The team consisted of the Paul Robinson for HHS, Kirecki. Herkimer bowlers lost their first match to the Romans. The team's record was 1-1. However, in the third match, Herkimer swept all four matches. Herkimer's team won the MMVI Bowling League. Herkimer's team won the second place in the MMVI Bowling League. Herkimer's team won the third place in the MMVI Bowling League. Herkimer's team won the fourth place in the MMVI Bowling League.
